Mr. Mike Thomas
Environmental Coordinator
11600 S. Burley
Chicago, Ill 60633

Dear Mr. Thomas:

Pursuant to its responsibilities the Illinois Environmental Protection Agency conducted an investigation at the above mentioned facility on September 15, 1981 and found the following apparent violations:

- Rule 202(b) - Emissions up to 100% opacity from the secondary emission control E.S.P. stack.
- Rule 202(b) - Emissions up to 60% opacity from the roof monitor of the building between the 32 inch mill and the 21 inch mill at the location of the automatic scarfer.

This information is provided to allow you the opportunity to verify or dispute the Agency's findings. We are available to discuss these apparent violations at your convenience. We await your reply at a date no later than ten (10) days from receipt of this letter. Bill Uskert was notified of these violations.

If you have any questions, please feel free to contact the undersigned at the following number 312/345-9780.

Sincerely,

Gary Swanson
